AKADEMIYA2063 Ukraine Crisis Webinar Series – Session XVI

Join us Online

The Ukraine Crisis and African Economies *Impacts on Commodity Markets in Zimbabwe*

In response to the Russia-Ukraine conflict and its impact on African countries, AKADEMIYA2063 developed the Ukraine Crisis Brief Series, a comprehensive research series to provide evidence-based simulations of the ramifications of the crisis.

Hinged upon data, analytics, and past crisis patterns, the AKADEMIYA2063 Ukraine Crisis Brief Series analyzes the economic and socio-economic impacts of global market disruptions induced by the Russia-Ukraine conflict. These research findings are published on AKADEMIYA2063's Ukraine Crisis and African Economies portal.

Session XVI of AKADEMIYA2063 Ukraine Crisis Webinar Series will discuss the impact of the war and its effects on Zimbabwe's commodity prices.

Based on AKADEMIYA2063's Ukraine [Brief 16](#), "The Russia-Ukraine Conflict: Impacts on Commodity Markets in Zimbabwe," this session will look at the short-term effects of the Russia-Ukraine conflict on commodity prices in Zimbabwe. The speaker will also look at the dynamics of commodity prices during the conflict.
