# AKADEMIYA2063 Ukraine Crisis Webinar Series – Session XVII

**Join us Online**

## The Ukraine Crisis and African Economies

### *Trade and Market Disruptions: Impact on Growth, Food Security and Poverty in Rwanda*

In response to the Russia-Ukraine conflict and its impact on African countries, AKADEMIYA2063 developed the Ukraine Crisis Brief Series, a comprehensive research series to provide evidence-based simulations of the ramifications of the crisis.

Hinged upon data, analytics, and past crisis patterns, the AKADEMIYA2063 Ukraine Crisis Brief Series analyzes the economic and socio-economic impacts of global market disruptions induced by the Russia-Ukraine conflict. These research findings are published on AKADEMIYA2063's Ukraine Crisis and African Economies portal.

Session XVII of the AKADEMIYA2063 Ukraine Crisis Webinar Series will discuss the global commodity trade and market disruptions and their effects on growth, poverty, and food security in Rwanda.

Based on AKADEMIYA2063's Ukraine [Brief 23](#), "Global Commodity Trade and Market Disruptions: Impact on Growth, Food Security and Poverty in Rwanda," this session will assess the impacts of the crisis on Rwanda's food and agriculture markets. The speaker will also look at the effects on growth, employment, income levels and distribution, income inequality and poverty.
